## Prayer Arrow: Promptings

### Ministry Partner: Nyanam International

*“And because we are his children, God has sent the Spirit of his Son into our hearts, prompting us to call out, “Abba, Father.”*  
Galatians 4:6

#### Monday - Give Him Praise

Widows in Sub-Saharan Africa experience stigmatization. They are often accused of killing their husbands, are disinherited and socially isolated. Stigma is a fundamental cause for the social, economic and health disparities widows face. In June WiW conducted a 3-day preventive health training for 29 widows in Kisumu Kenya. The team also participated in Nyanam's International Widows' Day where 760 widows received health screenings, tote bags and sugar. Nyanam expresses huge gratitude for their partnership with WiW for preventative health training and for amazing International Widows Day Celebrations! And WiW curriculum which is used by all Nyanam widows' circles.

- Praise God for this “good soil” of the widows’ hearts for all of WiW trainings.
- Pray that WiW and Nyanam continue to grow our partnership in creative and fruitful ways.

#### Tuesday - Soap Making Project

WiW is strategically connecting Nyanam with Amevivina Care as Elizabeth and Voiceline travel to lead skills training in lotion, soap and hand-sanitizer in Kenya.

- Pray for the safety of Elizabeth and Voiceline as they travel from Ghana to Kenya and return the last week of September.
- Pray for the Nyanam team as they make preparation for the training.
- Pray that this training provides reciprocity in skills training, organizational development with a strong focus on expanding the Kingdom of God.
