

Monthly Prayer Guide: July 2023

Prayer Arrow: PETITION

Ministry Partner: Pueblos en Misión Internacional (PMI)

“With all prayer and petition pray at all times in the Spirit, and with this in view, stay alert with all perseverance and petition.” Philippians 4:6 (AMP)

Monday - Partnership

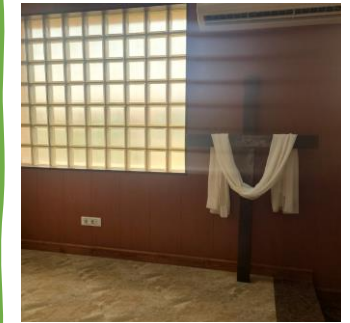

PMI has been a WiW partner since 2013! In recent years WiW has provided Transformational Leadership Training and Essentials narrative inductive Bible study training for PMI leaders. This has equipped them to serve refugees along the border of Syria and Jordan, women leaders in Morocco, Lebanon and Tunisia. PLUS, we provided opportunities for their ministry staff to gather to pray, plan and find renewal in their relationships AND to network with other WiW ministry partners. Soon we hope to provide Microbusiness training and to connect through Gather and Grow online workshops.

- Pray for follow-up with their leaders so that they can be enriched.
- Pray that together WiW and PMI multiply to equip and empower women in the Muslim world.

Tuesday - Women in Latin America!

The +100 ladies serving with PMI proceed mainly from Latin America. They faithfully serve the Lord who cares for them as they bless the communities in which they live.

- Pray for the Lord to call more women to join the teams serving in the Window.
- Pray for the Lord to enable them to blend easily with the dominant Muslim culture.
- Please pray for the Lord to lead, confirm and bless the ministry of each of the women who have been obedient to His calling.

Wednesday— Women in the Sahel Region

Women have deeply suffered in this Sub-Saharan African region!

- Pray for A discipling 3 groups of women who already have met the Lord and are growing in Him. Pray for each of these women to be able to reach and impact the lives of others through their testimonies.

Thursday—Diaspora

- Pray for our projects with diaspora (people dispersed from their homeland) and for the challenges these people routinely face.
- Pray for provision for the projects and for wisdom to face opposition as it arises.

Friday—Women in Asia

- E and C lead a project to defeat abuse and human trafficking. Lift up these women as they face strong challenges and opposition.

Sunday - Women in the Middle East

Today we are witnessing a new generation of believers growing in obedience and love for Him.

- Pray for our teams serving refugees, for each training, capacity building program, discipleship group, Bible study and for the Lord Jesus to be the center of it all.
- Pray for our ladies to be wise and bold, to have the right heart each day to be able to listen to those who are suffering and encourage them to find hope in Jesus.
- Pray for unity among the women that know the Lord so that many more will want to follow their Lord as well.

Saturday - Women in North Africa

- Praise God for long-standing relationships with WiW here!
- Pray for those who follow the Lord to grow deeply in Him and proclaim Him to many.
